REGIONAL ENTRY PROGRAM RELEASE AGREEMENT

I understand that Energy Medicine is an innovative approach to health care, which is only beginning to be investigated scientifically. I further understand that the training in Energy Medicine and other services I am or may be receiving from Innersource and/or Lisa Buford and its agents do not substitute for diagnosis and/or treatment from a qualified health practitioner for illnesses, injuries, or other medical conditions.

I understand that some classes are videotaped, that these tapes may be distributed for educational purposes, and I give my permission for my participation to appear on these tapes.

Lisa Buford reserves the right, at her discretion and without explanation, to keep a person from registering for a class or to require a participant to leave a class. Any refunds will be handled on a case-by-case basis, again at our discretion.

I also understand that any activity in which a person might participate involves some risk. In consideration of being permitted to enroll for the instructional and other services offered through Innersource and/or Lisa Buford, I release and hold Innersource, Lisa Buford, its agents, officers, employees, directors, successors, and affiliated corporations harmless from any claims arising out of my participation in the instructional or other services offered by Innersource and/or Lisa Buford or the use of facilities and/or equipment it provides.
